

## RACE 2 – EPIC POINT TO POINT PRESENTED BY DENO'S WINTER PARK SATURDAY, JULY 20, 2019

### DIRECTIONS BACK TO WINTER PARK RESORT FROM THE FINISH

From the St. Louis Creek Campground, turn right onto St. Louis Creek Rd (FS 160) & travel about 3 miles to Fraser. During this stint, you'll get out of the woods & ride past the meadows as St. Louis Creek Rd turns from a Forest Service Road into CR 73. Before cruising into the residential, historical part of Fraser, turn left onto Fraser Valley Parkway which rides you past both tubing hills & bends east towards Wendy's.

Turn right at the light onto the bike path. Follow the bike path into Winter Park. In Winter Park, the bike path crosses to the other side of the road at the McDonald's intersection. Please cross here & continue on the bike path to its end, in "Old Town" Winter Park. You'll see the resort just ahead.
